

Section Leader Retreat

July 29-30
Lost Branch Lodge
Brashear, MO

To prepare for band camp this year the section leaders will go on a retreat. The purpose of this retreat is to train the student leaders in the band how to work with their peers and be effective teachers and leaders. These events are invaluable for section leaders as well as the whole band. By taking the section leaders on a retreat, they will be able to focus on the task and establish goals and plans for the band without having interruptions from their daily lives. This type of event will also allow bonding among the band students which does not happen in their normal class setting.

The students should be at the **high school band room** with instruments and overnight clothes by **8:00 a.m.** We will rehearse and have some meetings at the high school before leaving for the lodge. The retreat will be held at the Lost Branch Lodge near Brashear, MO. Students will return to the high school at 1:00 Tuesday to start band camp with the freshman. Chaperones will be Brad Hudson, Steven Irving, Paul Hadwiger, and Karen Harrison. Each room will occupy 3-4 students and at no point will any student be allowed in rooms of the opposite sex. All socializing will happen in open areas.
