

2025 WMMS Summer Workouts Athlete Registration Form

Form must be completed by a guardian

Student's Name and Grade for 2025-2026

Parent/Guardian #1 Name, Email Address, and Contact # (if same as last year mark "no change")

Parent/Guardian #2 Name, Email Address, and Contact # (if same as last year mark "no change")

Any other information that coaches should know?

Students **MUST** be registered and cleared on our medical information website, PRIVIT, prior to being allowed to participate in WMMS Summer Workouts. (<https://kirksvilletigers-mo.e-ppe.com/index.ispa>)

After returning this form, students will be added to our Google Classroom and parents/guardians will be added as contacts for the student. This will allow everybody to receive schedule updates and messages via email in a timely manner. Our calendar is posted on Google Classroom and accessible to all students.

Our workouts will be held Monday through Thursday during June from 11:00-12:00 for all students who will attend WMMS during the 2025-2026 school year. Days for specific grades may be altered due to volume of registrants. We will focus primarily on improving core strength, balance, speed, agility, flexibility, and team concept. Our workouts will be conducted on the turf field and the track. Workouts will be hosted by WMMS Assistant Principal and Head WMMS Track Coach Brian Mayer. Summer school students are welcome to attend, but will have to sign out of and then back into summer school for the workouts and will miss attendance hours. We will accept new students into workouts at any time.

All questions should be directed to Coach Mayer: bmayer@kirksville.k12.mo.us

This form can be returned to the WMMS office or directly to Coach Mayer
