You will play 3 doubles matches and then 6 singles matches in which you may double back your singles players to play doubles. Your line-up from your first match must be your line-up for the remainder of the tournament (singles & doubles including Friday match play). Matches will be decided in 8 game no add scoring format with a 7 point tiebreaker at 8 all in both singles play and doubles play. If the team record in the individual pool results in a tie, the fewest games surrendered in all three dual matches will be declared the champion of individual pool play.
